

VISITING DAY

Visiting days are scheduled for: **Saturday, July 26th OR Friday, August 1st**

Visiting day starts each day at 9:15 am and ends at 4:30 pm. Parents may choose from **one** of these days. Grandparents may also visit on either of these days.

Under no circumstances are campers to leave camp on Visiting Day. The **only exception** is that **Island Seniors** may leave with parents at 12:00 noon and **must** return no later than **10:00 pm**. Younger siblings **may not** accompany their brothers; this is a privilege for Seniors only.

There is a section on the Camper Data Form that allows you to indicate which day you will be attending. Please return this to us as soon as possible. **Hotel reservations should be made early to avoid disappointment.** Please refer to the list of nearby accommodations at the back of this booklet.

SIBLING SLEEPOVERS ON VISITING DAY

Campers who have younger brothers or cousins, kindergarten age and above, may have them sleep over on **either Saturday, July 26th or Friday, August 1st**. They will go on an evening boat trip across the lake and have a campfire before bunking down for the night with their brother or cousin. Please contact Tony East in advance if your child will be participating in the sleepover. Parents must fill out a sleepover form at the main office and provide contact information in order to have a child participate.
